

## Bible Passages Set for Recitations

In both Form I and Form II, Charlotte Mason occasionally assigned specific Scripture passages for Recitations. We thought it might be helpful for parents and teachers to publish those in an easy-to-reference format in conjunction with the Scripture passages assigned for those terms in their Bible Lessons.

Please know that there were often terms with no specified passages for Recitation, so parents and teachers should feel free to choose a different passage from the Scripture studied that term. It may be useful, however, to have these passages as an example and reference even when choosing age/Form-appropriate Scripture Recitations. Usually the Scripture passage assigned for recitation just listed the chapter from which the verses should be chosen.

Form I students were to recite two passages of Scripture each term, one from the Old Testament and one from the New Testament, of about 6 verses each, chosen from the Scripture passages to be studied that term.

Form II students were to recite two passages of Scripture each term, one from the Old Testament and one from the New Testament, of about 12 verses each, chosen from the Scripture passages to be studied that term.
